Village- Shahpur, Near Kuldeep Nagar

Distt. – Ambala-133004

Mob: 7988651157

Ref. No. AG/BCA-02/25

Dated 20.08.2025

Structure Safety Certificate

As per information received from Principal of *Mavericks International School*, Mullana, Distt. Ambala owned by Mavericks Educational and Charitable Trust Mullana, Distt Ambala situated on Tangail Road, Mullana , Distt Ambala.

I visit the site and found the building is in good conditions in the view of Structural Safety with present loading conditions. The building construction material used was good quality. The building construction has been done as per building bye laws and construction done as per PWD norms for building and confirms to latest version of IS code Namely: IS: 456:2000, SP-16, IS: 4326, NBC of India etc.

The building is with RCC structure slab roofing and Columns. The building has drinking water facility & having proper electric fitting & also has toilet facility as per requirement.

As per my opinion the building is safe for School use.
